

**REMARKS**

Consideration of this application as preliminarily amended is respectfully requested. Initially, the specification has been amended to include the requisite reference to the international application and its priority application. The claims of the originally filed international application were amended in an Article 34 Amendment. This amendment appears as annexes to the International Preliminary Examination Report (attached herewith). This preliminary amendment is addressed to the amended claims under Article 34. The claims have been amended in order to remove multiple dependencies. No new matter has been added. Applicant respectfully requests an early examination.

The Commissioner is authorized to charge any additional fees that may be required to Deposit Account No. 50-0320.

LLP

Respectfully submitted,
